**HEADLINE: Pinnacle Communication Services/Networking and Technology Group ranked 4<sup>th</sup> amongst 400 plus AVAYA SYSTIMAX Value Added Integrators in the Nation.**

**Avaya** announced today that **Pinnacle Communication Services/Networking & Technology Group** of Glendale, California has been ranked as the 4<sup>th</sup> **AVAYA SYSTIMAX** Value Added Integrator in the nation.

**PINNACLE** achieved a fourth place standing in overall performance level out of over four hundred **SYSTIMAX** VAR's across the nation. "**PINNACLE** Services achieved a fourth place standing in overall performance level out of over four hundred Systimax VAR's across the nation. We at Avaya feel very strongly about the Value Added Reseller Program and its integrity and we select some of the best performing organizations to carry the Systimax VAR flag. Pinnacle's performance among this elite group of resellers is an indication of its commitment to a quality installation while maintaining the highest standard of customer satisfaction.

Once again congratulation on **PINNACLE**'s achievements and I look forward to working closely with **PINNACLE**" Says, Al Famand- Account Executive –**AVAYA**.

**Pinnacle Communication Services/Networking & Technology Group** is a national Information Technology, Convergence Technology, Telephony, and Structured Cabling and Communication Services Consulting, Implementation and Support Services company headquartered in Glendale, California.

"**Pinnacle's** focus is to provide state of the art proven information technology solutions to address the business needs of our clients. We focus on the fundamentals and we become an integral part of our clients' organization in order to better address our clients' technology requirements. **AVAYA** is an integral part of **Pinnacle's** strategic plan and this recognition makes our relationship with **AVAYA** even stronger." says, Avo Amirian – President/CEO of Pinnacle.

"This is an outstanding accomplishment for **Pinnacle** and demonstrates our commitment to quality and industry standards based communications infrastructure in the new world of complex Information Technologies and to better serve our clients. **PINNACLE** and **AVAYA** team will continue working to develop and enhance our mutual capabilities in supporting our customers," says, Joe Licursi – Executive Vice President- Chief Operating Officer of Pinnacle.
