HEADLINE: Thomas McNally Joins the Pinnacle Team as Senior Project Engineer

Glendale, CA- **Pinnacle Communication Services** announced today that Thomas McNally has joined the team to further develop their growing Audio Video division. Joe Licursi, President of **Pinnacle** says, “Thomas’ wealth of experience and industry knowledge makes him a key addition to the **Pinnacle** team. We are excited to welcome him on board.”

Mathew Pomeroy, Director of Technologies Services says “I’m confident that Thomas will play an important role in providing and implementing high quality solutions for our clients.” With a Master's in Music and Media Technologies from Trinity College Dublin, Ireland and almost a decade of experience as an AV Design Consultant with a specialty in live performance spaces, Thomas brings a diverse skill-set to Pinnacle.

“His experience as a Senior AV Consultant will be a vital addition to the team and will help us continue to provide the ultimate Audio Visual technology solution for our clients,” says Avo Amirian, CEO of **Pinnacle**.

Founded in 1990, Pinnacle has become a leader in IT/Communication Infrastructure and Audio/Video Integration and Solutions with an all-encompassing approach and unsurpassed expertise in the areas of:

- Design/Build Services
- Project Management
- Structured Cabling Design
- Installation and Support
- Data Center Build-Out
- Audio, Video, and Control Systems
- Riser Cabling System Management
- Video Surveillance– Closed Circuit TV
- Access Control
- On-site 24/7 support
