HEADLINE: Monty Pearson, RCDD Joins the Pinnacle Team as Sr. Project Manager/Sr. Design Engineer

Glendale, CA- Pinnacle Communication Services announces Monty Pearson has joined the Pinnacle Team in the role of Sr. Project Manager/Design Engineer.

Monty brings 37 years of experience in IT and telecommunications infrastructure, structured cabling, data center design and engineering with an emphasis on Needs Assessments, System Design, Estimating/Budgeting, Acquisition Management, Implementation, Project Management and Oversight. He has a vast experience in various industries such as legal, finance, entertainment, hospitals, hospitality, dotcoms, and municipal governments.

"We wanted to respond to the industry's needs and further grow our design and engineering team. Pinnacle has worked with Monty on a number of projects during the past 15 years and Monty has a proven track record for providing innovative designs for each project he has worked on. He has earned the respect of each client, architect, project manger and end-user he has worked with.   We are excited about having Monty on our team and we strongly feel that with Monty on board, Pinnacle's Team is uniquely qualified to work on various challenging technology projects and address the ever-changing needs and requirements of our clients," says Avo Amirian, CEO of Pinnacle.

"I am excited to have Monty on our team. His extensive technical experience and his ability to work with people of various backgrounds makes him an ideal addition to our team. This will ultimately allow us to better serve our clients," says Joe Licursi, President of Pinnacle.

Founded in 1991, Pinnacle has become a leader in IT/Communication Infrastructure and Audio/Video Integration and Solutions with an all-encompassing   approach and unsurpassed expertise in the areas of:
